(b) and (c) The Persons with Disabilities (Equal Opportunities, Protection of Rights and Full Participation) Act, 1995 which has been enforced w.e.f. 7.2.96 provides that the appropriate Governments and the local authorities shall within the limits of thier economic capacity and development provide for ramps in public buildings alongwith other measures.

Statement

Central and State Governments have been operating various schemes for the benefit of physically handicapped people. However, Central Government proposes to formulate various new schemes for the people with disabilities during 9th Five Year Plan for implementing the provisions of the Persons with Disabilities (Equal opportunities, Protection of Rights and Full Participation Act, 1995) to ensure better facilities for physically handicapped people. For this purpose, 5 Core Committees have been set up with the representatives of Government officials and NGOs to ensure better facilities for physically handicapped people. The priority areas identified are as follows:—

(1) Prevention, early detection and intervention

(2) Education including pre-school education.

(3) Creation of barrier-free environment.

(4) Women and children and aged with disabilities.

(5) Vocational training and employment for people with disabilities.

2. Further, a Central Sector Scheme is being formulated to provide comprehensive and coordinated services to the people with disabilities specially for the rural areas. The scheme proposes to create the following infrastructure:

(1) An apex level institution at State level for basic rehabilitation services and manpower development.

(2) Distt. level rehabilitation services for all sectors of disabilities.

(3) Multipurpose rehabilitation workers at Block/PHC level.

CBR workers at community/Gram Panchayat level.

3. National Handicapped Finance and Development Corporation has been incorporated in January, 97 to provide financial support to help disabled interpreneures in taking up self employment activities.
